

## **NCSG 2022 Certification Events In Your Area - CCP & CCR Test Reviews and Testing**

**To Register**, please follow the directions at the bottom of the page.

We are so looking forward to seeing so many of you this Spring/Summer as we will be doing both the CCP and CCR (Reliner) test review and test the same day in your area.

This will be 2.5 hours of test review per seminar plus testing, and the price is \$350.00 for each of the exams. For both the exams, the price is \$700.00 Included are the CCP/CCR study manuals at no charge. (Normal online prices would be \$1,000.00)

The hours are:

CCP test review and testing: 8:00am to Noon;

CCR(Reliner) test review and testing: 1:00pm to 5pm.

Included in either seminar:

1. Test review and testing & lunch.
2. New **updated** 2020 CCP or CCR manuals included. You will receive these as a pdf in your email after registering.

### **How to Register:**

1. Please read all the directions FIRST!
2. Go to NCSG.org
3. Along the top of the page, move your mouse over the "Certifications" link. Do not click on "Certifications".
4. When your mouse cursor hovers over the "Certifications" link, a black box will appear just under the link. It says: "How to Register for Exams." Please click on this Black Box!
5. Read the 3 steps. You will then see 2 choices: 1). **Online** Exam and Registration; and 2) **On-Site** Exam Events and Registration.
6. Scroll down the **On-Site** Exam Events and Registration to the Event you want to attend and click the "Register Here" link on the right. **NOTE: If you wish to attend both the CCP and CCR certification test review and testing, you will need to register for each (register twice).**
7. You will be automatically redirected to the Prolydian website to register. Create your account and follow the Prolydian directions. Prolydian is the website which handles our registration and testing.

**Notes:**

1. Each tech/attendee will need to individually register and will need their own individual email as part of the registration process.
2. Please use company info as part of your registration. Company Name, company address and company phone.
