Warren, OH 44484

Massachusetts | June 29

Sweepnman & Kryptonite Steel
497 Groton Rd
Westford, MA 01886

Class Schedule

8:30am - 12:00pm | The Ups and Downs of Scaffolding: Getting It Right
Those attending will be able to identify and correct issues with the setup and use of scaffolding based on OSHA regulations. It will be a head start in the climb to be a competent person on the job site using the scaffold.

Instructor: Peter Kruppenbacher, Department Head, Pennsylvania College of Technology
CSIA CEUs: 1.5 Technical and 1.5 Health & Safety
NFI CEUs: 3.0 Health, Safety, and Liability

- OSHA definitions and terminology—types and responsibilities
- Scaffold setup—safety, prep, construction, and stabilization
- Scaffold use—tagging, access, loading, and fall protection
- Scaffold specific regs—frame scaffold, pump jacks, pole, bricklayers square, horse, crawling boards
- Hazard regulations

1:00pm - 4:30pm | Hands-on Scaffolding Setup

Instructor: Corey Flowers, Owner of Ohio Chimney Co.
CEUs: TBD

- Safety first, safety third (we all go home)
- Pros and cons of scaffolding vs. lifts
- Terminology
- Fighting gravity: how to approach chimneys of all levels of accessibility
- Charging for scaffolding (it ain't going to build itself)
- Customer experience
- Hands-on training
